Dear Examiner Chapman:

I mailed a preliminary amendment for the above referenced application today, April 9, 2001 via U.S. Express Mail. You may recall that we discussed this amendment about a week ago. Since the amendment includes claims in excess of the 20 initially paid for, an additional payment was required. However, if you wish to receive a Faxed copy of the amendment prior to receipt in your office of the mailed copy, please let me know.

Thanks for your consideration in this matter.

Sincerely,

Daniel Luch
